RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

As a member of Bareena Park Tennis Club, I support the installation of Lights on the courts. This will enable the courts to be used for a far greater number of hours each week and assist the club to remain economically viable. The ensuing extra hours of play would enhance the enjoyment of tennis for members and others, and provide additional health benefits for those people who may only be able to play outside of normal working hours.
