RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Dear Assessing Officer,

I am writing to you as a community member of the Serbian Orthodox Church Saint Sava, Ingleside and it is in regards to the proposed development of a 3 story residential dwelling that would border the church property.

My concern and, I believe I share similar concerns of the other community members, is that such dwelling would impact our community whereby privacy of our children and their ability to play and feel safe would be affected. I believe that a development of such residential dwelling would also impact our abilities to organise important community events, such as dancing classes, school, sporting activities, etc.

The proposed development may also impact our growing and thriving community in our future activities that may need expanding by establishing additional classrooms, change rooms, childcare, library, aged care facilities, etc.

Thank you for your consideration,
Radoslav Kardum
