RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Dear Assessing Officer,

As a parent, I am deeply concerned about the proposed development beside our church. More than 160 children come here every week for language, dance, and scripture classes. They deserve privacy and safety, not to be overlooked from three-storey balconies.

Our church is not just a place of worship; it is a lifeline for families, teaching culture, language, and faith. Since 1949, it has been the centre of one of the largest ethnic communities on the Northern Beaches.

I ask council to reject this proposal and protect our children's future by ensuring a proper buffer zone, rezoning our land (R3) to allow for growth, and safeguarding our right to continue these essential programmes.

Sincerely,
Misha Ilijasevic
