Date:

Notes for completing Notice of Commencement of Building or Subdivision work and Appointment of Principal Certifying Authority.

Note 1.

Home Building Act, 1989 requirements in case of building work that involves residential building work (within the meaning of the Home Building Act, 1989) attach the following:

(a) In the case of work by a licensee under that Act:

- (1) a statement detailing the licensee's name and contractor licence number, and
- (2) documentary evidence that the licensee has complied with the applicable requirements of that Act*, or

(b) In the case of work done by any other person;

- (1) a statement detailing the persons name and owner-builder permit number, or
- (2) a declaration signed by the owner of the land, to the effect that the reasonable market cost of the labour and materials involved in the work is less than the amount prescribed for the purposes of the definition of the owner-builder work in section 29 of the Act.

- A certificate purporting to be issued by an approved insurer under *Part 6* of the *Home Building Act, 1989* to the effect that a person is the holder of an insurance contract issued for the purposes of that Part, is sufficient evidence that the person has complied with the requirements of that Part.
