RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

Lights at BPTC will, apart from allowing existing members to have the option of being able to play in night sessions will enable:

- 1) Attract 'younger' aged members - who find it difficult to play during day times.
- 2) School children to be coached beyond 5-6pm during the winter months.

Hence, I fully support BPTC's DA submission.
