RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Dear Kate ,

I am writing this submission in relation to planning application number PEX2025/0001 Wilga St and Powderworks Rd Ingleside.

I am against this proposal for the listed reasons below :-

Traffic and the associated bush fire evacuation risk to all .

Added traffic on Powderworks Road during morning and afternoon peaks ,which is already a major issue .

Congestion at local schools .

The area is currently poorly serviced by any real public transport.
