RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

Being a regular user of the courts at Bareena, I would fully support having flood lights as this extends the play time quite considerably, especially during the winter months when play needs to stop between 4-4.30pm due to poor light. Flood lights does also give the club the opportunity to offer evening social tennis and comps, which would further enhance the membership and what is offered to the local community. Bareena is a very social welcoming club and it would be nice to have the opportunity to expand what is offered and I feel this would be helped by the addition of lights.
