Subject: DA2019/0409 Lot 1113 Oxford Falls Road. Frenchs Forest

Attention Council 8th June 2019.

I am writing to you in reference to the Property Development in Barnes Road that affects residents in Barnes Road , Myra St, and Leagay Cres.

on behalf of myself, husband and all of Myra St. This problem has been going on since 2009. Myra St is a quiet street and a very close neighbour network with many children living in the street. It is not a wide street and has cars ,caravans and trade trucks parked in the street as they can't park in Iris street.

This makes it a dangerous street to back out onto the road as many school children have to be very careful. At Xmas time the whole street meet at Barnes road for a xmas party and sausage sizzle, it makes a lovely community that will be GONE !!. These small things make life nice for for children and families. We areal getting very tired of writing these letters over the last 6 years and going to all the meetings. This development is not consistent with the desired future character of the locality as it is high impact and high density.

Thank you for your attention.

Kay and Phillip Strugnell

4 Myra Street
