RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Proposed development plans I am raising concerns that changes would great disrupt our communities Serbian Orthodox Church also we have language class along with many our community activities I my children are 4th generation in this community my grand father was part of the original founders in1949 I believe that our will be hugely impacted with this proposed development future neighbourhood need to be made aware of the church event Sunday mass orthodox easter Christmas midnight mass many weddings and Christening also our many church events kind regards George
