RE: Mod2018/0342 - 120 Pittwater Road MANLY NSW 2095

In the original Department Application and Assessment Report DA0065/2012 dated 4/06/2013, Council Community safety Officer forward Assessment commented as follows:
"The Manly Council area has an identified need for secure affordable housing.Manly Community Centre is the main
NGO in Manly that providing assistance and first response to the Manly Women's Shelter....."
Since this report was completed the demand for Affordable housing has increased environment has not changed and as such the application should be rejected.
