

Wolfies Café
47 North Steyne,
Manly

Attention: Manly council

I am writing to formally outline our intended operations at the café located at 47 North Steyne, Manly, with the purpose of obtaining your approval and ensuring compliance with local regulations.

Our establishment, named Wolfies Café, will focus on providing a unique culinary experience by specializing in cold food offerings, complemented by heating equipment dedicated to pastries. The menu will be fixed and subject to seasonal adjustments, featuring a curated selection of smoothies, smoothie bowls, and sandwiches—all prepared exclusively with cold ingredients.

To ensure the safety and enjoyment of our patrons, we propose a maximum occupancy of 36 individuals at any given time. This allocation includes 18 seats inside, 8 seats outside, and accommodations for 10 staff members. This decision is in line with our commitment to maintaining a comfortable and welcoming environment while adhering to safety regulations.

To meet the diverse preferences of our patrons, our beverage offerings will include water, juices, soft drinks, and sparkling water. We are committed to maintaining high standards of hygiene, safety, and adherence to local regulations throughout our operations.

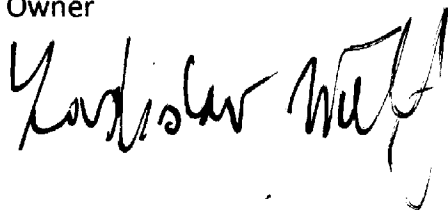

We believe that our café concept aligns with the community's interests, and we are dedicated to contributing positively to the neighbourhood. We kindly request your approval for our proposed operations and assure you of our commitment to upholding all necessary standards.

Thank you for considering our application. We look forward to the opportunity to enhance the culinary landscape of the community.

Sincerely,

Ladislav Wolf

Owner
