RE: Mod2016/0324 - 43 Booralie Road TERREY HILLS NSW 2084

Good Morning

It is completely unnecessary to have a petrol station opening until midnight in Terrey Hills. This area prides itself for the quiet semi rural atmosphere. These areas are fast disappearing (Ingleside!) and are a jewel in a big city like Sydney. There is NO passing traffic after 10pm. Open all night petrol stations should be situated on major road (Mona Vale) and NOT in quiet areas.

Thank you

Kind Regards
