Dear Michael,

I hope this email finds you well.

We have recieved the new submission notice for 92 Alfred Road, Narraweena NSW 2099.

We have gone through the plans for the new submission and still object to the obstruction of our shared view and are concerned on how it will negatively impact our property at 94 Alfred Rd, Narraweena NSW 2099, Australia.

Please refer to link:

Could we please set up a meeting over the phone or in person again to discuss the new submission?

We look forward to hearing from you soon.

Warm regards

Arianna & Charbel Germanos
