RE: DA2019/1340 - 100 / 0 Meatworks Avenue OXFORD FALLS NSW 2100

To whom it may concern,
I am most worried of this development as the area can not sustain the traffic. It is ridiculous to expect so many trucks coming and going is not going to cause horrific traffic jams, accidents and other problems.
The natural habitat of many animals will be lost forever also.
So many locals do not want this to happen.
