Re: DESIGN CERTIFICATION OF 35 COOLANGATTA AVE, ELANORA HEIGHTS

I am a chartered professional engineer in both civil and structural colleges. I am a competent person in structural and civil design, being listed in the National Professional Engineering Register (NPER) and as such can certify the Stormwater drawings number **092-W19**.

The basis on which this certificate is given and the extent to which relevant Specifications, rules, codes of practice or other publications have been relied upon is as follows:

- AS3500.3-2015
- Building Code of Australia-2016
- Council DCP and SEPP (CL 3.5)

Approved Principle Engineer,

Hussein Naji
