RE: DA2019/0409 - 1113 / 752038 Oxford Falls Road FRENCHS FOREST NSW 2086

ref: DA2019/0409 Lot 1113 Oxford falls Road, Frenchs Forest

This, high density development is totally inconsistent with the semi rural, Oxford Falls area.

The location is inappropriate for an over 55's senior's development.

The entrance to the development, is proposed as Myra street. This will greatly increase traffic movement in adjacent residential streets.
