Mr David Auster

Appel.no. Re :DA 2020 /1466
Address. Lot DP 24952. at. 50. Starkey St. Forestville. 2087
Description. Permanent Group Home
Applicant. Sunny field Limited

The above address being a corner block, has most of its land along Wirrilda Way..a neat, quiet residential street of long term ownership...family situation with school age starters to retired folk...

This application of Permanent Group Home Classification does not suit this area so all home owners that have been spoken to are shocked and totally against it....

Furthermore, Cook Street, next adjacent street to Starkey St., has facilities such as this and would be more suitably built in similiar surrounding.

Sincerely
Gladys Margetts
58 Starkey St.
