RE: DA2024/1427 - 14 Bareena Drive BALGOWLAH HEIGHTS NSW 2093

Dear council,

There has been no yellow notification sign displayed at the premises which is a breach of publication of the DA.

I request new western facing windows be opaque in the lower 50% of each window for privacy in my back garden & pool.

I support the comments and complaints made by Toby Ledgerwood, 15 Bareena Ave as my rear fence bounds their side fence on western side.
