RE: BUILDING COMPLIANCE SURVEY OF TIMBER SCREEN ROPERTY: 12 TORONTO AVENUE, CROMER

In accordance with your instructions we have made a survey over the part of the land comprised in Lot 1 in Deposited Plan 514220, being land contained in folio identifier 1/514220 in the Local Government Area of Warringah, Parish of Manly Cove, County of Cumberland, and is shown edged red on the attached sketch.

This survey is for building compliance purposes only. This report must not be used for any other matter, purpose or construction set out. The date of the survey was 14/04/2016 and this report is based upon Folio Identifier search issued by the LPI NSW, dated 14/04/2016.

As instructed we have attended site and located the timber screen located adjacent to the eastern boundary of the subject land.

The position of the abovementioned structure in relation to the boundaries of the subject land is shown on the attached sketch.

We have also located the pool filter box located adjacent to the eastern boundary of the land and find that it stands up to 0.09 meters within the subject land as shown on the sketch.

It should be noted that no attempt has been made to locate other structures located on or adjacent to the subject land.

Encumbrances upon Title have not been investigated for the purposes of this survey.

This report has been prepared for the exclusive use of Any Building Services only for this particular transaction.

Yours faithfully, CMS Surveyors Pty Limited
