RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Dear Officer,

I strongly object to the proposed development (5 William Ave), as it threatens the future of our local church and the children's programmes held there.

This is not just a building, it is the heart of our community. Every week, over 160 children come here to learn language, culture, and values that connect them to their heritage. It is a safe place where families gather, friendships are made, and our young people grow with pride and belonging.

If this development goes ahead, we risk losing an irreplaceable space that nurtures our children and supports families across the community. No commercial project can replace what this church provides.

I urge the council to protect this vital community hub and reject the development application.

Sincerely,
Milka Ilijasevic
