

6th May 2014

Job No: 11012

Mr Stephen Fayle
Woodhouse & Danks Architects
Suite 207
20 Dale Street
BROOKVALE NSW 2100

Dear Sir

RE: PROPOSED RESIDENTIAL DEVELOPMENT
AT: 6 FAIRLIGHT CRESCENT, FAIRLIGHT

PROGRESS STRUCTURAL CERTIFICATE UNDER PART B OF B.C.A.

We certify that:

- We are practising structural engineers and are corporate members of the Institution of Engineers Australia with NPER registration.
- We have carried out periodic inspections of the structural preparations for the following structural elements:
 - Excavation for footings and rear ground floor level works.
 - Demolition of Brickwork.
 - Installation of Lintel beams.
 - Concrete footings and slabs to ground floor front terrace area.

The placing of concrete and maintaining covers to reinforcement has not been supervised, however, we are satisfied that the work, when completed in accordance with good workmanship will be structurally adequate to support the proposed loads.

Yours faithfully
DINCEL & ASSOCIATES
