RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

DA2023/0720

To the Assessing Planner, Northern Beaches Council

Re: DA for the installation of night lighting for Bareena Park Tennis Club (CLUB) tennis courts, Vista Street, Balgowlah Heights

As members and close neighbours (26 Woodland Street, Balgowlah Heights) of the CLUB, my husband and I are AGAINST any night lighting for the tennis courts.

The resulting light pollution will adversely impact the quiet, deeply residential aspect of the area. If you were to come to our neighbourhood after dark you would realise that there is no light pollution around here for miles, barring the occasional street light. The proposed light pollution would completely change the character of the area.

There are other tennis courts with night lighting nearby that cater to anyone who wishes to play after dark.

Yours faithfully

Diana Rampton
