

**SPECIFICATION FOR MODIFICATION OF PLANS**  
**FOR GARETH AND BARBARA ROBERTSON**  
**10 KARoola STREET , NARRAWEENA, NSW 2099**

**MOD 2011/0205**

**CONSTRUCTION:**

Timber stairs approx 800mm wide

Shade Sail light coloured canvas pale grey or light blue to match walls of house & balustrade.

Modification to original approved plans is that we no longer require fixed pitched roof over the existing deck.

We have modified plans to change to removable shade sail. This will reduce the shading impact.

Previous plans to enlarge deck but now wish to straighten to make deck smaller and to build stairs from deck to garden.

With regards to the Development Consent Compliance Statement .

No power cables are at the rear of the building where this work is required.
