RE: DA2019/0411 - 2 - 8 Old Pittwater Road BROOKVALE NSW 2100

Hi, I oppose the application.

There has been zero community engagement and by community, I refer to the properties surrounding the School. The Hall should be located away from residential area on the open air staff car park, and that car park be located underground.

Further my letter last week, appears with strange formatting characters on this website and should be corrected.

Thank you
