RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

I am writing to object to this proposed development. The scale of it is staggering and would not be sympathetic to our already over developed area. The infrastructure is already fractured on the Northern Beaches and would not cope with this. I don't care that it is mentioned that if we were to be hit with another bushfire that the residents at the proposed sites would stay in their homes as they would be "fire safe" I experienced the 1993/94 bushfires that tore through the Northern Beaches& I can assure you that everyone would evacuate and Powderworks Road/ Mona Vale Road would be a bottleneck.
