'Email submission - Draft Warringah Development Control Plan – Private Property Tree Management (Amendment)' with the responses below. TRIM PEX 2013/007 A full report of all survey submissions is available within the activity report.

Name	Helen Dean
Email	rjhmdean@optusnet.com.au
Comments	I feel the State Government Proposals are more acceptable than those in Warringah Council's Private Property Tree Management. The State Government is suggesting a greater setback to trees than 3 metres & I think their suggestion is more appropriate
