SERVICE AGREEMENT

I, the undersigned, declare that I have the legal authority (express or implied) to engage a Principal Certifying Authority (PCA) for the building works described in this document and verify that all information pertaining to such work is correctly stated on this form.

As a condition of appointing the Principal Certifying Authority (PCA) stipulated on this form, I agree to undertake the following responsibilities; to contact the PCA for all **critical** stage inspections (as listed below) and all other inspections required as a condition of Development Consent, not less than 48 hours prior to the commencement of that stage of work to carry out building work in accordance with a current development consent; to notify the PCA of any intent to depart from the issued development consent as soon as the intention arises; and to verify all documents provided to the Private Certifying Authority are bona fide and correct in detail.

I agree to contact the PCA at the following **critical** stages of development, but not limited to these stages, for the purpose of satisfying The requirements of Clause 162A of the Environmental Planning and Assessment Regulations 2000.

- * After the building work has been completed and prior to any occupation certificate being issued in relation to the building
- * Any other stage as specified by the PCA

I also agree to maintain all required onsite PCA identification signage until the completion of all building works.

I fully understand that failure to satisfy the above statutory requirements may result in a Final Occupation Certificate not being issued in relation to the subject building.

Note: Non-compliance with these requirements may necessitate in the PCA issuing a Notice of Intention to Serve an Order.
