RE: DA2022/2042 - 90 Hudson Parade CLAREVILLE NSW 2107

I have several objections. First access to the wharf is being denied. This wharf was built in 1924 and has been a feature of Clareville since then with 1000's of kids having fun jumping or fishing from it. Surely existing rights use has been established. Secondly, the boat shed is being called a boathouse and is being altered to have 4 windows on each side. Why? Is it going to be a granny flat or used as an office? Thirdly, the house is obscenely large for the site. Any further development should be denied.
