Re:- Proposed rezoning of 'Heydon Estate and Uniting Church land, Ingleside and Elanora Heights (ref:- R0005/03 & R0006/03)'.

Dear Ms Marshall,

I write this letter to oppose the rezoning of the Heydon Estate. This area of bush land is home to many native animals and plants, in recent years I have viewed kangaroos, echidna, snakes, lizards, birds and other natives in this bush land. Growing up in this area and as a cub – scout who has used this bushland extensively, I believe this area should be preserved for future generations.

It would be a shame to see Elanora turn into just another suburb where kids are forced to play on the street due to no other area available.
