RE: DA2024/1601 - 12 A Rabaul Road NORTH CURL CURL NSW 2099

The proposed development will remove our entire water view (based on the poles currently installed to show the overall height). We can only see the water from the top floor of our house, and we will no longer be able to see ANY water. Obviously we would like to keep our water view and not be built out by this development, and for this reason object to the overall height.
